RE: City of La Mesa Slurry Sealing Project

Weather permitting, on Monday, June 10th, La Mesa Blvd (from Acacia Ave to University Ave) will be slurry sealed. Slurry Seal is the 3rd stage of the 4-part slurry process and will require complete road access. La Mesa Blvd from Acacia Ave to University Ave (the intersection of Memorial Dr and La Mesa Blvd) will need to be closed off completely for 24-48 hours depending on weather. No parking will be allowed on La Mesa Blvd between Acacia Ave and University Ave for 72-96 hours (June 10th – June 13/14th).

No vehicle will be allowed to park or drive on the street June 10th. La Mesa Blvd will be opened to all through traffic on June 11th or June 12th depending on the weather. Parking along La Mesa Blvd will be closed off until June 13th or June 14th depending on the weather.

On behalf of the City of La Mesa Public Works Department, we appreciate the support and continued patience of our local businesses and residents.

The extents of slurry seal on La Mesa Blvd on June 10th are shown in red in the map left.
